Returned, with compliments, to the Secretary to Government, Local and Legislative Departments.

2. The Executive Engineer, Bangalore Division who was consulted in the matter has reported that a few of the roads were opened out as fair weather roads and the others have not yet been completed to their full length.

3. It is stated that gravel coating will have to be given to all the roads except Koppa-Hudupa vahalli road. The drainage works carried out so far are not quite satisfactory. These have to be improved. If it is the intention of the Taluk and the District Boards to improve the surface of the roads and the drainage system, the proposed mileage grant of Rs 50 per mile is quite inadequate as the roads are fair weather roads, portions of which run behind tank bunds in black cotton soil.

4. The total length of the roads is reported to be 11 miles.

5. To maintain the roads in a fair condition a grant of Rs 100 per mile at least is necessary.

(THROUGH THE DEPUTY COMMISSIONER, BANGALORE DISTRICT.)

SIR,

I have the honour to state that the Taluk Board President of Anekal reported with the Taluk Board resolution that the marginally noted roads have been formed in the Taluk some time back and that their condition will become bad if no annual maintenance work is done and thus he suggests that a rate of Rs.50/- per mile per year may be sanctioned.

1. Road from Bangalore Hosur road to Kudlu.
2. Road from Bannerghatta road to 11th mile in Bangalore Hosur road.
3. Road from Horapanhalli to Koppa
4. -Do- Hebgodi to Huskur.
5. Bangalore Sarjapur road to Domsandra village.
6. Huskur Dommasandra road.

After the receipt of the above, the President was asked to report as to whether these roads have to be gravelled or metalled.

The President has replied that it is not necessary to metal the roads in question as it will not only be costly but the roads are internal ones linking the main three trunks and that therefore the Taluk Board proposal might be sanctioned.

This matter was placed at the District Board meeting held on the 29th and 30th August 1925 when the proposal of the Taluk Board was sanctioned vide extract from the Proceedings of the District Board meeting submitted.

I therefore request that sanction of Government may kindly be obtained for the annual maintenance of Rs.50 per mile for these roads as resolved by the Taluk and District Boards.

The vernacular file is herewith submitted for reference and return when done with.

Sir,
Your most obedient Servant,

SIR,

L 6373-25

With reference to your letter No.L.6448 dated 12th April 1926, re: the mileage allotment to the newly formed roads in the Anekal Taluk, and the suggestion of the Chief Engineer, in the matter, I have the honour to state that the matter was discussed by the District Board at their meeting held on 14th September 1926, and they were of opinion that a mileage allotment of Rs.50/- per mile per year will suffice for the present as the roads are all of gravel surface and used by ordinary carts. There is not much traffic on these roads at present. A copy of the resolution is attached.

I request that sanction of Government may kindly be accorded for an allotment of Rs.50/- per mile towards the annual maintenance charges of the 16 miles of the newly formed roads in the Anekal Taluk.
